READING LIST

Course Title: Exploring Planets and Exoplanets: An Introduction to Planetary Sciences
Location: Online, None
Term Dates: 04 Oct 2024 to 13 Dec 2024
Tutor: Suman Chowdhury

The reading list below was supplied by the course tutor.

If you have enrolled on a course starting in the autumn, you can become a borrowing member of the Rewley House library from 1st September. If you are enrolled on a course starting in other terms, you can become a borrowing member once the previous term has ended. For example, students starting in January can join the Library in early December and those starting in April can join in early March.

If you are planning to purchase any books, please keep in mind that courses with insufficient students enrolled will be cancelled. The Department accepts no responsibility for books bought in anticipation of a course running.

Preparatory Reading List

The items on this list are to give you some background to the materials and ideas that we will be covering on the course.

Author	Title
--------	-------

Cohen, Andrew and Cox, Brian	<i>The Planets (2019 or later edition)</i>
