Preparatory Reading List

The items on this list are to give you some background to the materials and ideas that we will be covering on the course.

Author	Title
Augustine of Hippo	<i>The Confessions (The first lesson will look at the Confessions. There are selections in Harmless's book, but if you wish to read more, I recommend the whole thing. Many translations available, and older ones are free online (although harder to understand).)</i>
Brown, Peter	<i>Augustine of Hippo: A Biography (New Edition with Epilogue) (This will be the main secondary source. It may be helpful to read the first few chapters before the first class. The first edition (1967) is widely available in libraries and secondhand, but the new edition (2000) has two helpful epilogues.)</i>
Chadwick, Henry	<i>Augustine: A very short introduction (A light, accessible introduction to Augustine.)</i>
